

Heart the Art Campaign Benefits

The goal of our *Heart the Art* campaign is to invest in the essential elements of Theatre Horizon's mission and artistry. We intend to raise \$300,000 by June 2018 for three specific artistic goals:

- Produce an imaginative and expertly performed **MUSICAL** in each of the next three seasons
- Create our first-ever **CHILDREN'S SHOW**, an interactive experience for families premiering in 2017/18
- Take care of our **ARTISTS** by increasing our expenditures on artists' salaries and benefits by 74% over the next three years

Donors who contribute towards this three-year campaign will receive the following benefits:
